

2009 STAR ISLAND REGISTRATION FORM (SIDE 2)

On this side of the form, please read all information and fill in all applicable boxes

Registration Policies and Rankings

Each conference establishes its own registration policy and acceptance criteria. Weeklong conferences have a written policy available upon request from the conference registrar or chairperson. Because assuring fairness in the registration process takes time, applicants are advised that they may not receive a response regarding acceptance until late April.

Applying to another conference? Please provide the name of applicant(s), name of additional conference(s), and rank your order of preference:
Attendance at more than one conference, overall, is welcome! Our aim is to make the Star Island conference experience as widely available as possible. However, we do endeavor to prevent single-conference applicants being denied admission due to over-enrollment.

Medical Information

The Star Island Corporation assumes no liability for accidents, illnesses, or their treatment. Our first aid station is equipped only for basic treatment in an emergency, and may not be staffed at all times.

Star Island is a remote location with extremely limited capacity to respond to medical emergencies. Evacuation of individuals experiencing significant health issues ranges from one hour (in ideal conditions) to many hours. The Star Island Corporation strongly recommends not participating in a conference if you experience any medical condition which might reasonably require emergency medical response; for more information, please see the Blue Book, p. 37. If someone has a condition that affects walking ability, the conference registrar or chairperson must be informed in advance in order to assist in accommodations.

Special Health Conditions

On a separate sheet of paper, please supply information concerning any health condition which might affect the participation of anyone listed on this form in conference programs and/or which would help us to provide proper care in case of an emergency. Include names, specific medical conditions, allergies, continuing medication, electrical needs for medical equipment, etc.

Medications

Everyone must bring enough of any needed medicine to cover the length of the stay—plus an extra four days. There will not be any prescription medications kept in stock on island. Additionally, there is no guarantee that we can get specific prescriptions filled. When we are able to send a prescription to the mainland, we must ask for payment of the full retail price as well as our messenger fee. We can provide the pharmacy’s receipt, but we cannot submit insurance reimbursement paperwork.

Minors

Any person under eighteen years of age attending without a parent or legal guardian is required to obtain a Minor Medical Release Form, which must be completed and signed by a parent or legal guardian, and returned to the conference registrar before your application can be accepted. This form may be downloaded from www.starisland.org.

Special Conference Information

If you are attending either of these conferences, please fill out this section:

Table with 2 columns: Lifespan Religious Education Conference and Pelican Reunion Conference. Contains registration questions and forms for each conference.

Final Checklist section with a list of registration requirements and checkboxes, followed by signature and date lines.
